

WELCOME TO NHULUNBUY'S SWIMMING POOL KEYCLUB

We would like you to take a moment to familiarize yourself with your facility and its conditions of membership.

CONDITIONS OF KEY CLUB MEMBERSHIP

The issue of a swimming pool key is subject to the following conditions:

- Membership is conditional upon members completing the Indemnity and payment of the prescribed fee and key deposit.
- The key is to be used for the exclusive use of a single person or in the case of a family key, the exclusive use of the immediate family members.
- The key is not to be lent out to any other person or organisation, nor is it allowed to attempt duplication of the key.
- No animals are to be taken into or allowed to remain on the premises.
- Proper bathing attire is to be worn at all times.
- No drinks in glass containers allowed on the premises.
- No alcoholic beverages to be brought into or consumed on the premises.
- No bikes or skateboards permitted on the premises.
- No noisy or unruly behaviour will be tolerated.
- No refunds made unless leaving site permanently.
- The premises are to be left in a clean and tidy condition.
- No responsibility will be accepted for the loss, damage or theft of private belongings or any other items of value.
- No trees, shrubs, pumps, fittings or other equipment are to be interfered with in any way whatsoever.
- Membership lapses within one month of new fees falling due.
- The key is to be returned to the Pool at the termination of membership for refund of the key deposit or in the case of extension of membership, for the payment of fees due.
- Those persons found within the pool surrounds and not being paid up members of the key Club, will be deemed to be trespassing on private property and may be prosecuted.
- No acts of vandalism or impropriety to equipment and facilities.
- Failure to comply with any of these conditions will result in automatic suspension from the Club and no claims for a refund of the unused portion of membership fees will be entertained.
- In the interest of all genuine users, members are urged to report any breaches of these conditions to the Manager or the Corporation, as misuses and vandalism jeopardises the continuance of this unique arrangement.
- No action which could be deemed to be inappropriate or unacceptable to other pool users.

We ask you to remember that leaving the gate ajar or on the latch could allow small children to access the pool unsupervised eg. the self locking gate could swing shut behind a child entering thus rendering a keyless parent helpless to intervene.

This may also help reduce the problem with vandalism and litter.

Please ensure that these important safety messages are adhered to.

Your cooperation is greatly appreciated in order to protect our unique key club.

Thank you for your time.
