Where every \$100 of your Rates goes

This chart indicates the Nhulunbuy Corporation's and expenditure programs for 2019 and show how we utilize rate and charge payments.

Revenue from rates is used to fund the administration, maintenance and provision of services for Nhulunbuy, Gove Airport, the Industrial Estate and the Gove Peninsula Waste Management Facility. Rates also ensure that roads, parks and gardens, recreational facilities, weed and mosquito control, sewerage, water reticulation, animal control and garbage collection are maintained to the level that we expect as a community.
