WELCOME TO EAST ARNHEM LAND

East Arnhem Land is located in the north-east corner of Australia's Northern Territory. The region is known for its rich and diverse culture, breathtaking landscapes and amazing fishing.

Yolŋu culture in East Arnhem Land is among the oldest living cultures on Earth, stretching back more than 60 000 years. The earliest history of East Arnhem Land is recorded in the paintings, dances and songs of Yolŋu, which tell of creation ancestors bringing lands and waters, people, animals and plants into being.

The scenery is beautiful and diverse, with rugged coastlines, remote islands, rivers teeming with fish, lush rainforest, towering escarpments and savannah woodland.

DRIVING HERE

The iconic Central Arnhem Road starts 50km south of Katherine and runs for 675km to Nhulunbuy.

FLYING HERE

Airnorth has daily flights to Gove airport from Cairns and Darwin. Airnorth also has daily flights from Darwin to Groote Eylandt.

It is highly recommended you hire a 4WD to get around. There is so much to see and do in East Arnhem Land and having your own transport will be well worth it!

ACCESS PERMITS

East Arnhem Land is Aboriginal land which means it is private land but traditional owners welcome visitors to the region and recreation areas. Access permits are required to visit all areas in East Arnhem Land, with the exception of the township of Nhulunbuy and Gove Airport.

CENTRAL ARNHEM ROAD

Experience one of Australia's most iconic drives, the Central Arnhem Road. The Central Arnhem Road is 675 kilometres long and is predominately unsealed dirt with a few small river crossings along the way. The drive begins 50km south of Katherine and finishes in Nhulunbuy on the Gove Peninsula, taking you on a journey through 60,000 years of history in East Arnhem Land's vast untouched wilderness.

TRAVEL TIPS

- A free Transit Permit is required (apply online) from the Northern Land Council.
- Camper trailers and caravans should be heavy duty
- Your vehicle should be properly equipped with recovery gear and emergency equipment
- Take necessary precautions to ensure a safe journey
- Beware of saltwater crocodiles inhabiting all waterways along the road
- There is no phone coverage along most of the road - see map for coverage areas (📶)
- The road is accessible for the majority of the year - always check road conditions before travelling
