### DECLARATION

I, (print full name) ~~XXXX~~ declare that all information stated and supplied within this application form is true and correct. I agree to comply with all requirements of the NCL Animal Control By-laws. I declare that I have read and understood the conditions of dog registration within the NCL Town and Industrial lease areas;

- When upon a public place, my animal must be under the control of a competent person. I understand that it is a requirement that at such times **my animal is restrained by a leash, cord, chain** or similar device. (this is supported by the NCL Animal Control By-Laws).

2. **It is essential that my animal wears a current NCL identification tag at all times.** I acknowledge that the registration financial year is from 1<sup>st</sup> January to 31<sup>st</sup> December, and that it is my responsibility to remit the annual fee to NCL before the due date to avoid infringements.
3. If the dog owner is **under the age of 18**, then a parent or guardian must sign the form as a "joint owner". A person who is registering the animal on behalf of its owner is required to show this authority in writing. This must accompany the application.
4. I understand that my dog must not wander or become a nuisance to either humans or other animals. I acknowledge that if complaints are made against my animal that **my registration may be revoked or cancelled.**
5. I accept that infringements may be issued for violations, and that unpaid penalties will progress to the Fines and Recoveries Unit.
6. I agree to maintain the registration status of my dog for the duration of time I reside within the Town Lease and to notify the Nhulunbuy Corporation within **14 days** from the date on which I leave town or my dog becomes deceased.
7. No more than 2 dogs are to be registered per property, barring exceptional circumstances.
