FREE WASTE Vouchers

Nhulunbuy Corporation is pleased to support our community.

How does it work?

The voucher system entitles the owner of a residential property within the Nhulunbuy SPL 214 (Town) lease to two waste disposal vouchers.

Each voucher can be used for **one** of the below;

2x Car/4WD tyres OR

1x Furniture item

The waste facility gatehouse will assign your voucher to your property.

Who can use the voucher?

Vouchers are issued against the property and are not transferable to residents of another property. If you are a Landlord please pass the vouchers on to your tenant/s.

How to use the voucher?

Present your original voucher at the waste facility gatehouse where a staff member will assess your load. Only original vouchers will be accepted.

What can be disposed of?
