9. General Business

Australia Day Awards

- NC Community Engagement Facilitator MR presented to the Town Board the 2021 Australia Day Awards Nomination Form with the two additional categories of Local Hero and Senior Citizen of the Year awards added in 2021.
- Town Board members asked that all nominees for each award be recognised in the 2021 process and announced at the awards ceremony on 26 January 2021.

Liquor Permit Review

The consultant, Dr Ian Crundall is in Nhulunbuy between 16th November to the 20th November 2020. Several consultations are being held throughout this time.

The survey is to be released next week which will be distributed throughout Yirrkala, Gunyangara and Nhulunbuy via various outlets, survey monkey and hard copies made available. Interview type meetings will be conducted to help collect data in community areas.

Request from SCOPE Building

Town Board have received a request from SCOPE Building company to extend working hours to seven days a week 7am – 7pm.

RTA to consult with tenants and Gove House regarding this request. RTA to view SCOPE traffic management plan.

Secretary:

Date:

Chairperson:

Date:

NC Infrastructure team have asked that heavy vehicles only travel into town with one trailer at a time to avoid safety concerns and damage to our infrastructure.

Rirratjingu Representative

AM requested support from Town Board members for Rirratjingu to appoint a proxy to attend Town Board meetings on behalf of DM due to current over commitment with EARC and Miwatj Health.

Airport Security Screening

AM updated Town Board Members on the mid-year recategorization of Airports conducted by the Department of Home Affairs.
Home Affairs determined through their risk assessment that Gove Airport could discontinue screening.
FAQ document and social media communications were distributed last week to the community.
Town Board Members also requested a letter drafted to Home Affairs regarding feedback from the community.

DCM Update

- JR updated board members that the existing remote outbreak plan will be combined and used alongside an urban outbreak plan for COVID-19 and works have determined that the remote plan how these would be applied as a combination to Nhulunbuy Town and remote communities. A full draft of this plan should be finished soon and sent to key stakeholders for feedback.
- Regional cyclone plan has been reviewed during auditing of Nhulunbuy cyclone shelters capacity in the existing strong building is for only 300 people. The review has highlighted a need for larger scale shelter to be constructed in Nhulunbuy region. This will be a project for 2021.

RTA Update

- COVID controls have been increased including reinvigoration of social distancing and hygiene campaigns.
- External screening of charter flights has increased.
- RTA end of year events have been cancelled due to increased risks with larger gatherings.
- COVID cash dedicated funding open to community groups helping with recovery and resilience.
- Changes to RTA management team with a joint manager to be appointed to manage Weipa and Gove Operations.

Other Business

Community Feedback from Elected members

4C's Renovation almost complete – LW updated the Town Board that the major renovations undertaken with grant funding had reached completion due exceptional project management efforts from Peter Cox and the services two workers from Datjala work camp for two days every week on site. Licencing arrangements will be reviewed with NT licencing and events will commence after these arrangements are finalised.
